Luxury yacht charter

At 85.3 metre (280ft) **ALYSIA** is one of the world's most impressive charter yachts. Built to SOLAS safety specifications, she has a steel hull and superstructure with aluminium deckhouses.

CAPACITY AND RANGE

The ship is equipped to carry up to 36 passengers with 34 crew. With a range of over 7,000 nautical miles, **ALYSIA** is capable of crossing the Atlantic, navigating the Panama Canal and reaching the westcoast of the United States and Mexico.

ADDITIONAL GUEST AREA INFORMATION

There is a specially-built cruche with climbing frame, slide, games and toys. The ship has pantries at all levels as well as a service lift for the crew, connecting 5 decks. A separate guest lift for 6 guests runs from the Lower Deck up to the Sun Deck. The main staircase connects the Lower Deck up to the Bridge Deck. Each landing is furnished with 4 x 1.3 metre symmetrical slabs of blue Makauba Brazilian marble. Indoors or outside, all 36 guests can be seated for dinner at one time.

BUSINESS FACILITIES

The business centre is located on the Bridge Deck with an internal LAN for connecting computers and peripheral devices. The digital PBX telephone system is equipped with the latest ISDN software, 80 lines including five satellite connections linked via an Inmarsat Ship to Earth station.

HEALTH AND FITNESS

The Lower Deck Health Centre is divided into 5 areas: main Jacuzzi room, a post treatment/relaxation room, identical segregated areas for men and women including sauna, steam room, cold plunge pool, Jacuzzi and shower. A further area includes a beauty salon, facial /body treatments and massage room. The entire centre is run by 2 fully qualified beauty therapists. Also on the Lower Deck is a gymnasium with multigym, treadmill, rowing and cycling machines, free weights and television/DVD player. **AMENITIES** The wine cellar is equipped with temperature and humidity controlled shelves for correct storage of over 500 vintage wines. The ship operates a 24 hour laundry service. Indoors and on deck, there are Bose surround sound music systems throughout the yacht. **MEDICAL** A nurse is on call 24 hours a day. Our twin bed medical suite is equipped with AED and comprehensive first aid supplies. **POLLUTION** Extreme efforts have been taken to build the ship in accordance with US zero discharge regulations related to oily water treatment, waste oil, sludge disposal, sewage treatment, galley waste and garbage treatment.
