## ACCOMMODATIONS

Sleeps 48 In 24 Cabins

Master Suite.

The 100 square metres Master Suite is situated on the Bridge deck and includes its own private balcony. The luxurious accommodation features a superior Californian king size bed and en-suite white marble bathroom with a double Jacuzzi bath, shower room and separate basins, WC and bidet, with walk in wardrobes. The suite also has a subsidiary private saloon with a fully equipped study.

This suite has every IT connection including a direct dial telephone. A personal laptop is at your disposal, linked to the onboard broadband Internet and email system.

All suites have a mini bar, safe, direct dial and portable telephones and plasma screens in both the bedroom and private saloon, linked to the large and constantly updated central film library.

Naturally, 24-hour maid service is available to ensure your complete comfort and thoughtful details include everything from an alarm call to laundry, dry cleaning and secretarial services.

Vip.

### VIP SUITES

Other accommodation includes one VIP Suite (bridge deck) three additional suites (bridge deck) , ten double suites (upper deck) with additional pull out beds and five double suites (main deck)

All suites have en suite bathrooms, large wardrobes and Italian linen and towels. Lauren L is the height of comfort, day or night.
